

## **Data Quick Tips**

### **Now That I Have My Data, What Should I Do With It?** *(Diary Based Markets)*

#### **When Your Ranker for a survey become available:**

- Log in to [www.RROnline.org](http://www.RROnline.org) with your username and password. *(If you have not registered, click the Register button in the Client Login box to register.)*
- On the home page, click *Data* to view your ranker. On the data page, click the rankers you'd like to download from the drop down box. What has happened since the last survey?

#### **Check the Nielsen survey sample.** Log in to <https://answers.nielsen.com> with your email and password. *(Not registered? Contact your station's Access Manager.)*

- Check the market map in the Nielsen eBook. Has the county definition changed? (Usually this occurs in the fall survey, but not always.)
- Take a quick look at population and in-tab diary percentages by demographic in the eBook, as well as diary placement and return and response rates. Has anything changed significantly since the last survey?

#### **Market Focus Analysis** (Log in to <https://answers.nielsen.com>)
